

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

I am very pleased to take this opportunity to show my gratitude for being close friends with Mr Amjad Siddiqi.

A dear friend who went through a very serious tragedy and as a result of that he has had to spend most of his life in a wheelchair.

But I can proudly say that this did not end his ambition for having a successful life nor it did slow him down.

Most of us are aware of his accomplishments in all fields of life and worldwide travel on his own. His will drove him to succeed in accomplishing the goals he set up for himself and his family, while many people among us, not suffering any health issues, failed to accomplish nearly half of his achievements.

Mr Amjed is kind, generous and a dear friend. His friendship is highly appreciated, after all he is one of a kind.

May Allah the All Mighty keep him safe and bless him and his family with success in this life and in the hereafter.
