

Qazi-Mishaq-memon: Respected and honorable brother

Respected and honorable brother, Amjad Siddiqi sahib. Assalam-o-Alaikum. This beautiful gift sent by you is, to tell the truth, a very grand asset for my life. The way you have remembered this humble servant while living in Pakistan is a matter of the highest honor for me. Brother sahib, thank you very, very much. Today, I have received the gift you sent through Saleem sahib. Insha'Allah (God willing), not tomorrow, but from today itself, I am going to start reading it. This story based on the truth of your struggle will likely cause tears to flow from the eyes of many people like me without stopping. Insha'Allah, after reading further into this beautiful history, I will share my thoughts with you. Once again, thank you very, very much. Praying from the bottom of my heart that the Bountiful Lord keeps you always happy, prosperous, and blooming. May He grant long life and perfect health to you, including your family and children. Ameen, Summa Ameen.

Thank you Pakistan,
Well-wisher, Qazi Muhammad Ishaq Memon
